"Briseis" finished 2007 by taking back-to-back group placements at the San Luis Obispo Kennel Club in Paso Robles, Ca. On Saturday, November 17<sup>th</sup>, "Briseis" earned a Group 4 placement under Judge Doug Johnson and Sunday, November 18<sup>th</sup>, she earned a Group 2 placement under Judge Dana Cline. # ATTENTION GUNNERS!

## AKC Gunner Safety DVDs

If you have received an AKC Gunner Safety DVD, please sign and return it in the pre-addressed, stamped envelope as soon as possible. We have many club members who would like to gun for our training sessions and hunt tests, and the AKC and the RSVC both require that members who shoot for the club view the AKC Safety DVD every year. If you would like to view the AKC Gunner Safety DVD, please email your address and telephone number to Donna Karis at [dckaris@RSVC.net](mailto:dckaris@RSVC.net).

## RSVC 2008 Hunt Training Sessions

The Rio Salado Vizsla Club (RSVC) offers hunt training for club members and their dogs throughout the year. Upcoming hunt training sessions and hunt tests are listed below. The schedule is subject to change due to bird availability and fire restrictions. Always check the RSVC web site for updated information and directions to the hunt training sites at [www.RSVC.net](http://www.RSVC.net).

**Bird reservations** must be made at least one week in advance to [birds@rsvc.net](mailto:birds@rsvc.net) or by calling the Hunt Training Coordinator. **Birds cost \$5 each, with a limit of 4 birds per dog.** Bird reservations will be limited due to bird availability and training session time constraints. Exact change or checks payable to RSVC are appreciated. Also, please remember that since the club pays for the birds that have been reserved, **you are still responsible for reimbursing the club for the cost of your birds if you fail to attend the hunt training session.**

**Brace Pairings:** After arriving at the hunt training site, please check in with the Hunt Training Coordinator and pay for your birds. Brace sheets for the Senior/Master field and the Junior field will be available for you to sign up your dog(s) on a first come, first served basis. Please indicate the training level of your dog on the sheet (Junior, Senior, or Master). In order to run the fields efficiently, do not sign up for back-to-back braces.

**Field Trial Training Permit:** The Arizona Game and Fish Department require permits for hunt training. There is no fee for the permit, which is good for one calendar year. An application for these permits can be printed from the club's web site at [www.RSVC.net](http://www.RSVC.net) under "Hunt Training."

## **CANINE GOOD CITIZEN AND VERSATILITY TEST**

Saturday February 16<sup>th</sup> was a beautiful sunny day – not too hot, just right.

After 4 weeks of hard work training at class and practicing at home, Club members, many of which were new puppy owners, gathered at Mehagian's to see how well they had progressed. All the hard work paid off! Deborah Sanders awarded 18 Vizslas a Conformation pass towards their Vizsla Club of America Versatility Certification. Carole Dunn awarded 12 Vizslas their AKC Canine Good Citizen title. Many thanks to Deborah for taking time to judge the Versatility Test. Deborah is the Vizsla Club of America National Versatility Chairman. Also thank you to Carole Dunn who attended all four training sessions to instruct the members and their dogs on what is required to become a Canine Good Citizen. Carole was truly dedicated to helping the dogs succeed.

All in all it was a successful day. Thanks go to Phyllis Bruce, Kirstin Bacani, and to Norma Friedman for assisting the judges and to Rita Mather for helping to tabulate results. A Vizsla t-shirt was presented to Mehagian's neighbor Harlan Diehl for allowing us to use his back and front yards to conduct the training and the tests. The day before the tests, Harlan tracked down his irrigator just as flooding of his property was about to begin – and told him not to flood his yard because of our upcoming event. Harlan is in his late 80's and enjoyed watching the training every week and also the Saturday test. John Mehagian helped with all the planning and also made a run to pick up the sandwiches for lunch, which all enjoyed after the tests were completed.

Plans are underway to begin the Obedience part of the Versatility. Check the website for dates to be announced soon. We will also do another Conformation test in conjunction with this. We hope to see many of you there.

Marge Mehagian

PS – Our Club is so lucky to have members like Marge & John Mehagian. They contribute so much of their time and home to help our members and their Vizslas succeed.

## VCA Versatility Test Results

The Vizsla Club of America developed the Versatility Program to encourage amateur Vizsla owners to participate with their dogs in different events such as conformation, obedience, and field, and to promote the versatility of the Vizsla as a good-looking, well-mannered hunting companion. To earn a Versatility Certificate, a Vizsla must pass three tests in each of three categories (conformation, obedience, and field) under three different judges. For more information on the VCA's Versatility Program, see [http://clubs.akc.org/vizsla/VersProgRules\(2-06\).pdf](http://clubs.akc.org/vizsla/VersProgRules(2-06).pdf) or go to [www.RSVC.net](http://www.RSVC.net).

The Rio Salado Vizsla Club held VCA Versatility tests in Conformation and Obedience in conjunction with the RSVC Specialty on November 3, 2007. Special thanks to Carole Dunn and Rita Mather for judging these events, and congratulations to the following dogs who earned passes towards their Versatility Certificate.
