President's Message

It's almost Fall and time for all the activities to start up full speed ahead. There will be lots of shows and the field training sessions will begin again when the weather cools off.

I hope to have a few socialization/ obedience classes in the fall so make sure you check the calendar frequently to keep track of all the upcoming events.

The Rio Salado Vizsla Club will hold it's Fall specialty in November and there will be plans to hold a Fall meeting as well. December will be the time for our Holiday Party.

I would like to thank all the members who worked hard to put on the August Hunt Test at Red Tank. Mike George Chairman and Marla Molvin Secretary had things running very smoothly . The weather co-operated - the rain held off and most of the dogs were successful. Special thanks to Donna Karis who jumped in to transport the birds from Phoenix to the site on Friday when the planned transporter backed out and we were left with no way of getting them there. Donna drove up - dropped off the birds - and turned around and drove back to Phoenix. Also, thanks to Rita Mather and Vicki May who helped man the Secretary's table and to all the gunners, judges and bird planters who worked all day long. The list of members/helpers is too numerous to mention but we appreciate you more than words can say.

Congratulations to all who passed their tests. Both Handlers and Dogs had a great time.

Please let us know if you want to help on some of our events. We can always use another pair of hands!!
